

Henry County Sheriff's Office

Keith McBrayer, Sheriff

Date: 3/1/2017

Topic: New Scam Alert

The Henry County Sheriff's Office is issuing a warning about people either calling on the phone or going door-to-door asking for donations of money for children's programs and representing themselves as members of the Sheriff's Office.

Sheriff McBrayer states that, "The Sheriff's Office does not and will not ever call or go door to door to solicit funds. If it becomes necessary for our Deputies to come to your house, they will be in proper Henry County Sheriff's Office uniforms and driving marked cars."

Citizens should be suspicious of anyone attempting to solicit funds for the Sheriff's Office. Be a responsible witness, call 911 and report the incident. Get a good description of the subject, the vehicle they are driving and advise the dispatcher what area they were seen in.

Remember, be suspicious, be cautious and be safe!
